NexTrex Plastic Recycling

The NexTrex plastic collection program will come to a close on Tuesday, June 30. Unfortunately, the program requirements changed and we are unable to meet the collection amounts necessary to earn a reward. However, your collections were not in vain - we kept lots of plastic from entering the waste stream! Many thanks to Joyce Katich who became our plastic sorting expert. You can still make a difference in how much plastic gets into our environment. Please use reusable bags when you shop, strive to cut back your single use plastic consumption, and recycle your plastic at any Giant Eagle in the area.

We commit ourselves to be in ministry for and with all people, choosing to see them with the eyes of Christ, rather than through the eyes of the world. God blesses us all so that together we can be God's instrument of blessing in the world.
