North Hills Community Baptist Church affirms that God's grace is present in all people. We intentionally seek openly and fully to include all persons regardless of age, background, nationality, immigration status, language, gender, socioeconomic status, race or ethnicity, political affiliation, sexual orientation, education, or disability. We commit ourselves to be in ministry for and with all people, choosing to see them with the eyes of Christ, rather than through the eyes of the world. God blesses us all so that together we can be God's instrument of blessing in the world.
