

## WHAT IS COMPASSION CAMP?

The Christian Education Board at North Hills Community Baptist Church is offering a 5-week virtual/at-home VBS series for families. We will provide families with videos, stories, supplies, and some virtual Zoom group time as we explore together the Compassionate love of God.

## WHEN DOES IT START?

Our youth group is working to help put materials for families together during their at-home mission trip the week of June 22-26. We hope to get materials to families on Sunday, June 28. We will share one lesson each week for the next five weeks.

## IS IT A LOT OF WORK FOR PARENTS AND CAREGIVERS?

We hope it will be an **easy**, fun way for families to grow in faith, love, and compassion together and to stay connected (virtually!) with our church family. We will provide the materials, videos to watch together of the stories, songs to sing, and some fun games and crafts you can try. We hope to set up some group Zoom chats to connect with friends, too! Do what works for your family. Not crafty? Skip that activity and do the yoga or game instead! On vacation? No worries, no pressure—you can do what you want and what works for you!
